# ADDMINO-18

Thanks to our complex of effective ingredients composed of:

- **MALIC ACID** : Malic Acid works against the pollution and neutralizes alkaline residues resulting in added smoothness and shine.
- **ORGANIC ACIDS & VITAMINS** : Fruit Acid's effects on skin and hair are widely recognized.
- **PROTEINS & AMINO ACIDS** : Proteins are known to increase hair shine and lead to a strengthening of damaged hair. Proteins bind specifically to damaged hair and thus help to improve the state and the appearance of the hair.
