

PRODUCT N. 1

ADVANCED FAST SUPER BLEACH UP TO 9NINE

WHAT IT IS:

Advanced Fast Super Bleach.

LIFTS up to 9 SHADES.

Non-volatile scented heavy powder with ORGANIC WHEATGERM OIL.

WHAT IT DOES:

Optimum performance in all lightening techniques (highlights, sun-kissed, balayage, stripping and bleaching).

Anti-yellow action.

TECHNOLOGY:

Incremented bleaching power, UP to 9 SHADES.

Does not cause swelling or burning, non-drip application.

Formula enriched with ORGANIC WHEATGERM OIL, which hydrates, revitalises and brings shine.

USE:

Fast, practical and safe to use. For use in combination with DIKSO **BLONDE.** after bleaching Shampoo and Mask.

FOR PROFESSIONAL USE ONLY.

Preparation: pour the required quantity of bleach into a non-metallic container and add the oxidising emulsion in the volume and quantity listed in the "Mixing ratio" paragraph.

Note: we recommend you use the measuring cup (30 ml capacity) provided in the pack.

Mixing ratio: for every 30 ml measuring cup of powder bleach, use 45 to 60 ml of oxidising emulsion, depending on the consistency and creaminess required for the treatment being carried out.

Use only 20, 30 or 40 volume oxidising emulsion (do not exceed 40 volume and do not use any heat source).

follows Mixing Ratio:

- 1) ALUMINIUM FOIL HIGHLIGHTS: for the nape of the neck, 20 or 30 volume oxidising emulsion; for other areas 40 volume oxidising emulsion.
 - 2) LIGHT BLEACHING: 20 volume oxidising emulsion
 - 3) MEDIUM-STRONG BLEACHING: 30 volume oxidising emulsion
 - 4) CONTRASTS, SUN-KISSED LOOK, SHATUSH, etc.: 20, 30 or 40 volume oxidising emulsion according to the hair type and the desired result.
 - 5) STRIPPING: oxidising emulsion at 10, 20 or 30 volume
- Resting times:** from 20 to 45 minutes, depending on the level of lightening desired.

PACKAGING:

500 pouch in a jar, complete with a measuring cup and a closing lace for the bleach pouch.
