34 WHITE

33 BLACK

Perfect synergy between Infrared technology, which, with its deep action, ensures a more effective and long-lasting straightening and the effect of Negative Ions, which add shine, favouring hydration and eliminating electrostaticity from hair: they both make Duccinquanta the right straightener for any type of hair, guaranteeing the best result in any condition.

#### TECHNICAL DATA

Length: 28 cm  
Weight: 290 gr  
Universal power supply: 110-240V ~ 50/60Hz  
Cable length: 3 mt  
Electronic temperature control: 90° C - 250° C

**ecol**gysystem

Uses up 4 times less power than a traditional straightener.

**UP TO 250°C**  
Great on afro hair too!

Silicon rails:  
Guides strands and  
adds shine!

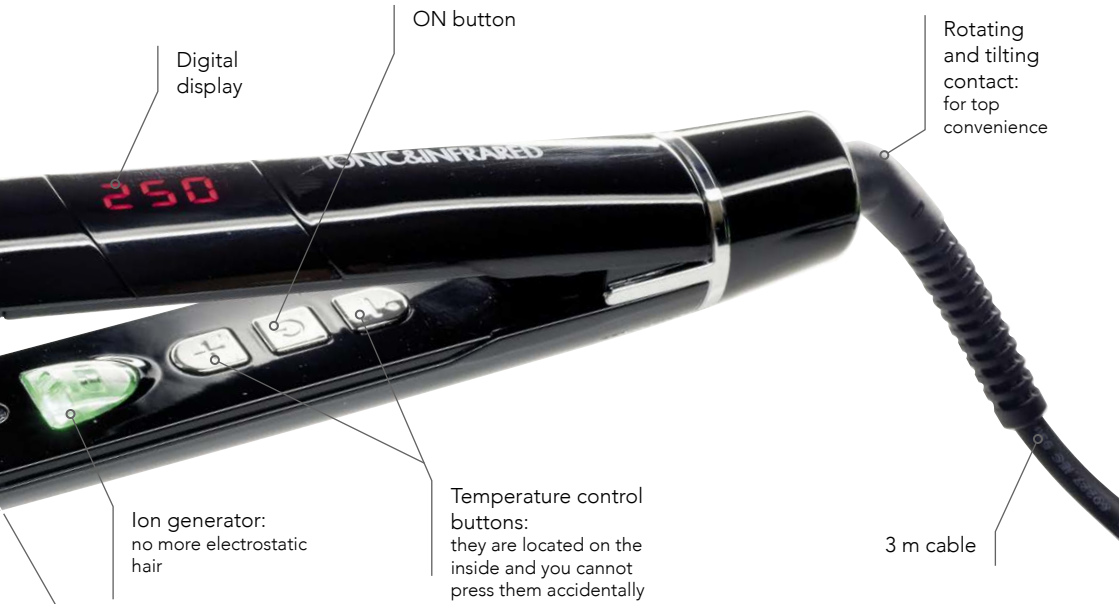

Floating plates:  
they adhere perfectly to hair  
during the treatment

Ceramic-coated  
titanium plates  
Less stress: it gently  
slides on hair and  
straightens it with just  
one stroke

Infrared generator: always favours the right hydration for hair

Digital display

ON button

Rotating and tilting contact: for top convenience

Ion generator: no more electrostatic hair

Temperature control buttons: they are located on the inside and you cannot press them accidentally

3 m cable

Sealed closure profile: it prevents hair from ending up on the side of the plate
