KAKO ZAŠTITI VLASIŠTE I KOSU

ARC: Active Revitalizing Complex -

Mješavina biljnih aminokiselina koja oponaša djelovanje keratinske strukture kose.

GOSSYPIUM HERBACEUM: Aktivni sastojak pamuka, hidratizira, elastizira i jača keratinske strukture kose.

WIE ES KOPFHAUT UND HAAR SCHÜTZT

ARC: Active Revitalizing Complex - Mix aus Aminosäuren pflanzlichen Ursprungs, die in der Lage sind, die Aktivität des strukturegebenden Keratins im Haar nachzuahmen.

GOSSYPIUM HERBACEUM: Der Wirkstoff aus Baumwolle versorgt die Keratinstrukturen des Haars mit Feuchtigkeit, macht sie elastisch und kräftigt sie.

HOE BESCHERMT HET HOOFDHUID EN HAAR

ARC: Active Revitalizing Complex - Mix van aminozuren van plantaardige oorsprong die in staat is de werking van de structurele keratine van het haar na te bootsen.

GOSSYPIUM HERBACEUM: Het werkzame bestanddeel van Katoen hydrateert de keratinestructuur van het haar en maakt deze elastischer en sterker.

KAKO DJELUJE

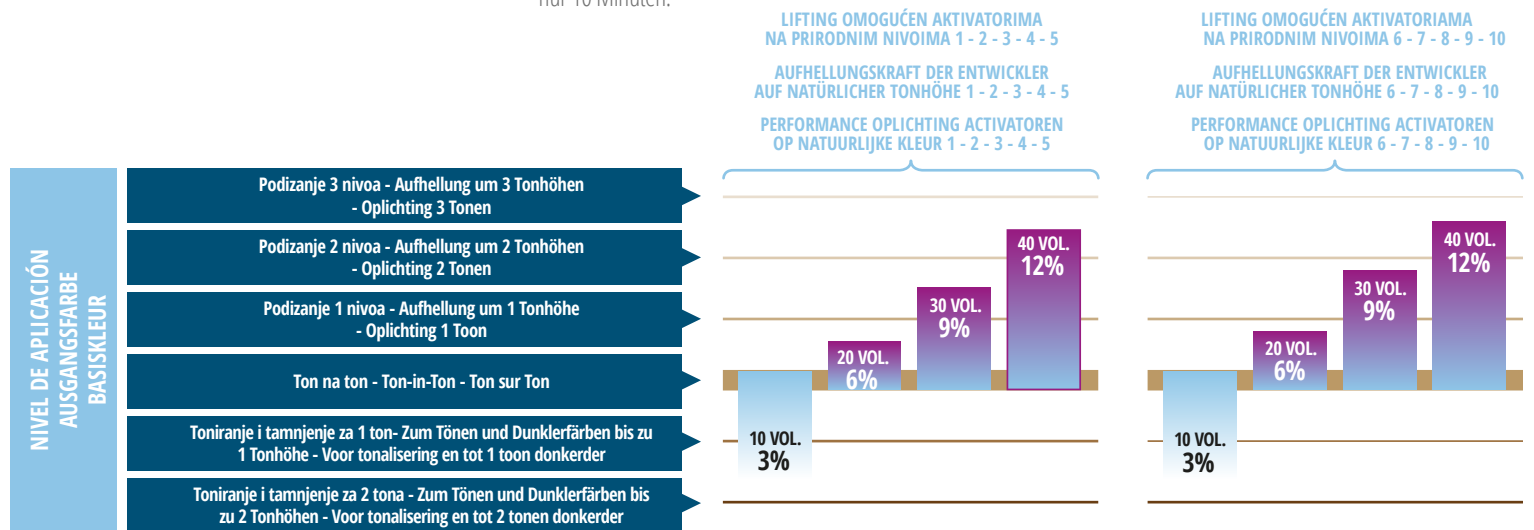

STRUKTURIRANI MIKROPIGMENTI u formuli, potpomognuti biljnim aminokiselinama ARC-a (koji djeluje kao "jednostavni prijenos"), jamče savršenu pokrivenost bojom, živahne i stabilne odsjaje i dugotrajnu boju, sve u samo 10 minuta.

WIE ES WIRKT

Die **STRUKTURIERTEN MIKROPIGMENTE** der Formel, begünstigt durch die pflanzlichen Aminosäuren des **ARC**, die die Pigmente aufgrund der „Easy-Transfer-Funktion“ schneller in das Haar einschleusen, gewährleisten eine perfekte Abdeckung, lebendige und dauerhafte Reflexe und ausgezeichnete Haltbarkeit, in nur 10 Minuten.

HOE WERKT HET

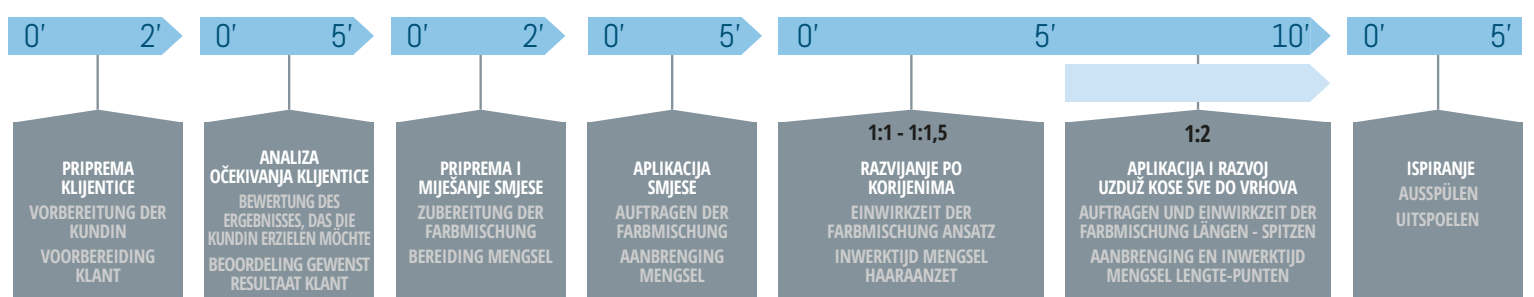

De **GESTRUCTUREERDE MICRO-PIGMENTEN** van de formule garanderen, dankzij de plantaardige aminozuren van het **ARC** (dat als "easy transfer" dient), een perfecte dekking, levendige en blijvende weerschijn en een langhoudende kleur in slechts 10 minuten.
